CSD 7-1 Mission

It is the mission of Chamberlain School District 7-1 to Provide its students with **well rounded** opportunities designed to offer a **quality education** and to ensure that every child has experiences that promote growth and meet their individual needs. Through mutual respect within the total school community, our children will grow and learn in a **safe and secure environment** where faculty, staff, parents and students together are enthusiastic about the teaching/learning process. The overall program is designed to stimulate intellectual curiosity, require students to demonstrate that they have learned how to learn and enable them to become **productive and effective citizens in the real world.**

St. Joseph's Indian School Mission

To provide for the basic welfare of children (food, clothing and medical care) with special emphasis on the spiritual, emotional, and educational development of each child, while respecting their culture and heritage.
